INSTRUCTOR BIO

My first career was in operations for manufacturers. I worked as an expediter, quality control inspector, junior chemist, front line supervisor and plant manager. I was lucky enough to be a poverty attorney during the "War on Poverty". My third career was as a producer, director, script writer and actor for a murder mystery company. For the past thirty years I have had a consulting firm, specializing in management and marketing problems.

Like many students, I pursued four degree programs while working full time. My passion is teaching. I have over thirty years of teaching graduate and undergraduate business classes. My other interests are family and travel. I have had an opportunity to work and travel to 181 countries.
