

Dear Lincoln Students,

We are excited to introduce the new [Career Services Newsletter](#) that will go out every second Thursday and include information that will help you with your future career.

Also, please take full advantage of all the tools and resources that LU Career Services Platform offers! This platform allows you to search for jobs and internship opportunities, upload resumes for employers to see, and get access to articles, podcasts, and videos designed to help you build your career. A lot of your fellow Lincoln University students are already using it, please make sure to sign up!

Please find the link below to register for LU Career Services platform:
