

**LINCOLN UNIVERSITY DAILY COVID-19 SCREENING STATION QUESTIONS.
JUNE 18, 2020**

To comply with the revised Alameda Co. Health Order 20-14a that allows Lincoln to allow in-class instruction, Lincoln needs to have COVID-19 Screening Stations. Our screening stations will be the reception positions, which are at the entrance of all three of our campus buildings. Before you are allowed daily access to the interior of the building, you will need to provide an oral answer to the three screening questions listed below to the receptionist/screener. The screener may read the questions to you, or ask you to read them yourself. If you answer, “yes,” to any of the questions; you will be asked to go home and will be provided an Alameda Co. Health Department quarantine packet. If you answer, “no,” to all three, you may enter the building.
