Course Description:

Intensive English Program (IEP) 4 - Grammar

This course covers the basic grammatical structures using an approach that aims at accuracy. The students will be able to process complex sentences. Special attention will be given to the difference between appropriate written English and the spoken forms used in everyday conversations.

Objectives:

To help students write and speak English grammatically.

Students discuss with class all manner of topics and issues while teacher barges in to correct students' grammatical errors and give pointers. Good grammar is also required of students in their written assignments.

Evaluation:

Students are formally quizzed periodically, and informally quizzed with their every word, phrase and sentence.
