

## **Students Alumni Connect** **Friday March 29<sup>th</sup>, 2013 at 12 noon**

Students and alumni frequently experience difficulty beginning the job search process. They need assistance in defining their career goals, learning more about career fields in which they have developed an interest, and focusing their career search process in realistic and constructive ways. Alumni can be very helpful in this process by serving as sources of information about their own careers and experiences.

So, come meet **Aeroshil Nameirakpam**, a alumni of Lincoln University, who will share his experience about his transition process from student to working professional, about his career, answers questions and offer advice or guidance on additional directions to explore.
