

# **ETHICS WORKSHOP WEEK**

## **HEALTH CARE ETHICS**

**Monday, April 8th, 2013**

**11:45 am – 12:25 pm**

**Study Room in Student Lounge**

**Presented By Prof. Khatia Mania, MD.**

**Associate Professor of Diagnostic Imaging**

### **Workshop Objectives**

- Identify the major ethical problems involving patients that health care professionals and ethics consultants face most frequently in their training and future practices.
- Understand the process of clinical ethics consultation and how it assists in the care of the patient.
- Demonstrate knowledge of the services of a clinical ethics program and how to access them.

**To register please sign-up at the Student Lounge or call Student Services at (510)628-8034**
