Description

Students will improve reading comprehension and rate; they will increase vocabulary through assigned readings, word study exercises, and discussions. Readings deal with a variety of subjects, including American culture, and academic and personal issues.

Course Objectives

Students will develop reading skills for functional communicative purposes, in context-centered study and expansions.

Students will demonstrate improved reading comprehension skills through selected communications, quizzes, tests (pre and post) and exercises (class and text-based).

Instructional Methods

A cooperative learning model is employed. Small group and individual discovery exercises and presentations will augment more formal presentations, discussion and applications.

Topical Outline

Reading selections are of immediate academic and socio-cultural relevance. Among topics included are: music, money, work, sports, weather, culture, and the Internet
