"I view education as the most important subject which we as people can be engaged in"

Abraham Lincoln

President's Message

By selecting Lincoln University, you are choosing an education that will make possible a life full of opportunities and will give you skills to gain greater control over your own destiny. I'd like to personally welcome you aboard and congratulate you on making this important decision.

Lincoln University is a unique institution of higher learning, where educational excellence, professional know-how, and up-to-date international standards are combined with individual attention and a friendly atmosphere, giving rise to a world-class education.

At Lincoln University, we pride ourselves both on the quality of our education and its relevance in today's professional world. Each program within the university is designed to ensure that all of the acquired knowledge and skills will be valuable to its graduates, providing a practical and solid foundation for the student's future. We make sure that every part of our students' education serves a purpose and brings them closer to accomplishing their professional goals.

Since its founding in 1919, around the same time as many of America's top schools, the university has chosen to deliver the best, custom-fit education to the select few, rather than provide the widest range of subjects and cater to the widest possible audience. Lincoln University begins with a highly competent faculty and the most useful educational programs, and mentors each student all the way to graduation. Our students' success proves that we make the right choices.

Lincoln has become a truly global university due to its diverse multicultural student body and faculty. Located in a powerful international hub - the San Francisco Bay Area - it provides a multitude of invaluable learning opportunities. A successful career in the 21st century requires deep understanding of international relations and the impact of globalization, the school is well-positioned to give its students such competitive advantage in professional fields worldwide.

I invite you to discover for yourself the unique character of Lincoln University. Our excellent and rigorous curriculum, outstanding faculty and convenient facilities provide all the necessary components to ensure our students' path to a successful future.

Dr. Mikhail Brodsky, President and Rector

About Lincoln University

Lincoln University is a private, non-profit educational institution located in Oakland, California. It was founded in 1919 in San Francisco by Dr. Benjamin Franklin Lickey.

Why Lincoln?

Keeping with its century old history, Lincoln University remains dedicated to its mission of providing traditional university education. It closely follows the demands of the modern economy, while remaining uniquely affordable. Lincoln University is the place for rigorous learning and a warm-hearted community. It is the place where diverse cultures and ideas meet and create the future.

Our focus

The emphasis on providing education to the local community as well as continuous refining of its programs have always been uniquely attractive characteristics of Lincoln University. Experienced faculty and caring staff ensure academic development, along with personal and professional growth.

University's focus on career prospects of its students underpins its modern curriculum well-suited for the needs of the job market. Lincoln University is a dynamic institution, where students are offered individual attention and guidance crucial for the success in today's highly competitive job market.

Our Advantages

Excellent instructors

Expert senior faculty with wealth of industry, scholarly, and educational experience.

Individual attention

Small-class environment and collegial atmosphere with faculty members and staff ready to advise and mentor.

Credit Transfer

Easy transfer of qualifying credits from previously attended colleges and universities.

Personalized Schedule

Flexible course progressions allow to adapt studying schedule to the needs of students.

Affordability

One of the most transparent and efficient private higher education institutions in the Bay Area.

Career prospects

The majority of Lincoln University find their first employment within 3 months of graduation.

Convenience

Located in the dynamic downtown Oakland, one block away from the City Center BART station and bus routes.

No waiting lists

Enroll in classes you need, when you need them.

Lincoln University Resources

Library

Lincoln University's library boasts a great number of online resources and databases including EBSCO and Gale. Lincoln University students may borrow particular titles for their research through the Interlibrary Loan Program. Knowledgeable librarians are able to offer personalized guidance and research advice.

Diagnostic Imaging Lab

The Diagnostic Imaging Laboratory at Lincoln University is equipped with a state-of-the-art ultrasound systems. Students benefit from an extensive hands-on lab practice guided by experienced technicians.

Computer lab

The computer laboratory is equipped with modern machines and software necessary for learning and research projects of varying complexity. The network system offers students an experience in computer programming on an industrial operating system. Computer laboratory assistants are available to help students with programming issues and Internet assignments.

Master of Science Degree in International Business

The Master of Science in International Business degree program enables students to gain an in-depth and applied understanding of the complexities and functions of international management professionals in a globally competitive business and economic environment.

Program Highlights:

- Emphasis on real-life practice and experience of international firms
- In-depth understanding of the complexities and functions of international management professionals in a dynamic business environment
- Focus on wide range of managerial skills and knowledge necessary to provide effective leadership and vision in international business operations

Entry Requirements:

A bachelor's degree of its equivalent with a grade point average (GPA) of 2.7 (B-) or better on a scale of 4.0.

Two letters of recommendation (this requirement is waived for applicants having received Lincoln University MBA degree), one of which is from a faculty member who can attest to their academic qualifications for graduate study and the second letter may be either an academic or business professional recommendation.

An official GMAT score of at least 500 or an equivalent GRE score (this requirement is waived for applicants having a master's degree with a GPA of 3.2 or above).

Master of Science Degree in Finance Management

The Master of Science in Finance Management degree program prepares students upon graduation to assume management-level positions, which require an understanding of the tools and techniques used in sophisticated financial analysis, planning and forecasting as well as current business financial functions and practice.

Program Highlights:

- Emphasis on real-life financial practices and experience of businesses.
- In-depth applied understanding of the complexities and functions of finance professionals in a rapidly changing business environment.
- Focus on acquiring the tools and techniques used in sophisticated financial analysis, planning and forecasting.
- Detailed investigation of major financial issues facing multinational firms.

Entry Requirements:

A bachelor's degree of its equivalent with a grade point average (GPA) of 2.7 (B-) or better on a scale of 4.0.

Two letters of recommendation (this requirement is waived for applicants having received Lincoln University MBA degree), one of which is from a faculty member who can attest to their academic qualifications for graduate study and the second letter may be either an academic or business professional recommendation.

An official GMAT score of at least 500 or an equivalent GRE score (this requirement is waived for applicants having a master's degree with a GPA of 3.2 or above).

Doctor of Business Administration Degree

The Doctor of Business Administration (DBA) program at Lincoln University is an advanced academic degree program with a purpose of educating students in the concepts and techniques needed to understand a range of business disciplines and to conduct research on issues arising in professional business practice.

Program Highlights:

- In-depth exploration of the latest academic theories, concepts, techniques and applications with emphasis on teaching, research, and consulting.
- Emphasis on carrying out independent research at an advanced level.
- Internships, teaching, and extensive special study projects as a part of the curriculum.

Finance and Investment Concentration:

The Finance and Investments (FI) concentration emphasizes various aspects of American and international finances. Stress is placed on the use of finance as a management tool.

Human Resources Management Concentration:

The Human Resources Management (HRM) concentration provides courses in human, social, legal, and psychological aspects, important for the future HR managers.

International Business Concentration:

The International Business (IB) concentration enables students to gain in-depth understanding of the complexities and functions of international management professionals in a globally competitive business environment.

Entry Requirements:

The application statement with the applicants' objectives for seeking a doctorate in business including intellectual curiosity, interest in pursuing academic research, research experience (not mandatory), and relevance of their academic or professional experience and future career.

Three letters of recommendation (this requirement is waived for students having received Lincoln University MBA degree): the letters should evaluate the applicant's capacity to do research and successfully complete the requirements of the DBA program. A bachelor's degree from an accredited degree-granting institution, with a grade point average of 3.0 or above on a scale of 4.0.

A GMAT (550 minimum score) or GRE (1000 minimum score) is required. This requirement is waived for applicants having a master's degree with a GPA 3.3 or above.

Student Life

Student Services

Student Services at Lincoln University are designed to support and promote intellectual, cultural, and social development of students. The Department of Student Services provides information on housing, career planning, and job placement with a goal of helping each student make the most of their time at Lincoln University. Academic counseling is provided in cooperation with the Dean of Students.

Academic Counseling

Program directors, faculty members, and the Dean of Students provide academic counseling, including program planning and selection of courses leading to graduation. Every effort is made to assist students in identifying and resolving areas of difficulty in a timely manner, ensuring that everyone is given time and attention needed to achieve their goals.

Career Services

While Lincoln University makes no explicit or implied guarantee of job placement for graduates, it does provide career guidance. By arriving at an early decision regarding career directions, students are able to make the most of their academic programs.

Students get individual help in career exploration, advice and critique on resumes, and assistance in determining job objective. Students also have an opportunity to practice and polish up their interview skills during numerous career-focused workshops.

Events

Academic events emphasize the development of students' knowledge and experience. Lectures by recognized authorities are held at various times throughout the academic year and are sponsored by the student government. Social events help to expand the students' network of contacts. Various on-campus organizations and academic departments conduct student tours, including excursions to cultural, social, and educational institutions in the San Francisco Bay Area. The university's annual ski trip to Lake Tahoe,

graduation cruise party, Lincoln Olympics and tours around San Francisco bring students and faculty together, creating an opportunity for the exchange of ideas and perspectives.

Student Government

The Lincoln University Student Association (LUSA) is elected by the student body every Fall Semester and acts as a voice of students in matters related to self-governance and University life. Its purpose is to initiate student activities and to help promote the student's welfare on the campus.

Housing

Living room area

Lincoln University offers student housing options. Currently, the university provides affordable shared dormitory style housing in the city of Alameda. The rent is starting at \$695 per person monthly. These apartments are maintained and furnished by Lincoln University. The monthly rent includes utilities, high-speed Internet, and renter's insurance. The apartment complex offers controlled access, a pool, fitness center, laundry facilities, and is located near a bus stop within a short commuting distance from Lincoln University.

Some students choose to use housing websites and independent rental agencies to find apartments by themselves, share them with other student, or live with relatives or friends. The Department of Student Services posts notices about current rental options on a housing board and refers students to various sources of temporary housing until students acquire their own accommodations.

Lincoln University guarantees accommodations to all students willing to enroll in the student housing program. Please refer to the Housing Office of the Department of Student Services at housing@lincolnuca.edu for more information.

Student Testimonials

Yelena Balyuba

BS Candidate

"Lincoln University offered everything I was seeking in a Diagnostic Imaging program:

As a full time student, I was able to work in the Diagnostic imaging lab part time and gained invaluable work experience. I feel prepared for the future career because of the immersion I experienced with inspiring life-saving instructors, small class sizes, and a rigorous curriculum."

Roxanne Blank

BA Candidate

"I am currently working on completing my BA degree with a concentration in management. I chose to attend

Lincoln University because of its diverse student body, desirable location, and small class size."

Sevan Marderosian

MBA Candidate

"At Lincoln University I learned a lot when it comes to business administration: the knowledge and practical experience I

gained from the professors made me confident that I will be ready to start and succeed in my career after graduation."

Ashwini Thakur

MS Candidate

"Lincoln University is truly an incredible place with a long history of welcoming new

students and academics from all over the globe. It allows us to share knowledge and promote intercultural learning, while guidance from experienced faculty adds tremendous amount to the value of our education."

Kingsley Ezekiel Ojinnaka

MBA Candidate

"Lincoln University has given me the academic knowledge I was looking for to boldly confront

any difficult situation in business world. Exceptional faculty helped me relate theory to practice, preparing me for any challenge my career can throw at me."

Nguyen Tran

DBA Candidate

"Lincoln University is known for its educational excellence, professional know-how, and state-of-the-art

instructional methods. Professors are highly qualified, approachable, very helpful, and always provide students with advice on all important issues."

Faculty Testimonials

Dr. Marshall Burak

Professor of Corporate and Multinational Finance

"At Lincoln University, an instructor is able to draw on the unique backgrounds and experiences of the student body and clearly illustrate the distinct challenges in operating a global as opposed to a domestic business."

Dr. Michael A. Guerra

Associate Professor of Business Administration

"Lincoln University is one of the few institutions where you will find students, faculty and administrative staff from various parts of the world. The exchange of and appreciation for different cultures and ideas are encouraged so that students have the opportunity to develop and expand their perspectives about the global realities of our time."

Dr. Tesfaye Ketsela

Professor of Management Studies

"I enjoy the teaching style of professors at Lincoln University and the professors encourage class discussions around real cases at work environment. Class projects also encourage skills advancement in group cooperation and decision making, which then foster team building at work places."

Dr. Igor Himelfarb

Associate Professor of Business Administration

"Lincoln University is a truly unique institution. Long history allowed Lincoln to develop a distinctive character, and more importantly a deep commitment to the student success. We focus on students as individuals and try to supply them with knowledge necessary for the successful career and a happy life."

Nicole Marsh

Head Librarian

"One of Lincoln University's greatest strengths is our incredibly dynamic, multi-cultural faculty and student body. At the library, we see ourselves not only as a center for the acquisition and exchange of knowledge, but also as a meeting place for our community to engage and grow."

Khatia Mania, MD

Associate Professor of Diagnostic Imaging

"Lincoln University is a modern, dynamically developing university. We aim at comprehensively helping students in their professional and personal growth. Choosing our university, a student can be confident of obtaining a quality education and support throughout the whole study period."
